**August 16, 2021, Denendeh, NWT** – The Dene Nation understands the impact of covid-19 on the people of Denendeh. We have postponed our Elders and community knowledge meetings on Western Boreal Caribou Initiative considering recent events in the community of K'asho Got'ine.

The Dene Nation has donated groceries and freight valued at \$7500.00 to the K'asho Got'ine Elders Meals on Wheels program as the order had been placed for the postponed event. Our commitment is to rapid response to the needs of our people, offering our respect to the Elders during this difficult time.

Let us all do our part to keep our elders and vulnerable people safe and comfortable.
